

Brady M. Stephenson

Engineering Lead & Manager

740-221-5766 • brmstephenson@gmail.com • [LinkedIn](#) • <https://brady.ninja>

SUMMARY

Full Stack Engineer with 12+ years of experience engineering frontend-leaning apps. Expert in **React**, **TypeScript**, **Tailwind**, and **Rails**. Adept at modernizing architecture, integrating AI tools to speed up development, and leading high-performing teams.

SKILLS

Frontend: React, Remix, TypeScript, JavaScript, Tailwind, ShadCN, React Query, HTML5, CSS3

Backend: Ruby on Rails, SQL, REST APIs, PostgreSQL

Tools & Platforms: Cursor AI IDE, Claude Code, ChatGPT, Opencode, Git

Familiarity: Next.js, Prisma, Angular, Docker, AWS, CircleCI, Vercel

PROFESSIONAL EXPERIENCE

Design Pickle

Apr 2022 – Apr 2026

Engineering Lead & Manager

- Drove frontend modernization and rebrand by migrating to Remix + Vite, **improving build performance by 25%** and **local development speed by 90%**.
- Architected **AI-assisted engineering workflows via Cursor**, significantly increasing iteration speed while maintaining high code quality and consistency.
- Directed migration from Heroku to AWS, **reducing annual cloud spend by over \$30k**.
- Maintained hands-on production code contributions while leading system design and delivery across **6 major platform initiatives**.
- **Mentored a team of 3 frontend engineers**, focusing on technical growth and high-standard delivery.

Lead Frontend Software Engineer

- Owned frontend technical standards and long-term platform direction, serving as the technical lead for core product workflows and feature launches utilized by **2,200+ monthly active customers**.
- Scaled the engineering team by owning frontend hiring and onboarding processes.

Senior Frontend Software Engineer

- Hired as founding frontend engineer to architect and deliver a greenfield React application.

Beam Dental

Aug 2019 – Mar 2022

Software Engineer

- Developed front-end views using React, Styled Components, HTML5, CSS3, and jQuery.
- Developed backend applications using Rails APIs and views.
- Co-organized Front-End Working Group to share trends, best practices, and demos.

Insight Digital Innovations/Cardinal Solutions Group

Sept 2015 – Aug 2019

Senior Software Engineer/Team Lead

- Led and supported a development team, including career growth and delivery expectations.
- Developed front-end applications using JavaScript, AngularJS, Angular 2+, HTML, and CSS
- Taught Angular at a weekend workshop for the Columbus Web Groups meetup.

Tata Consultancy Services – Milford, OH Software Engineer

Jul 2014 – Sept 2015

Ohio University – Athens, OH Software Engineer

Mar 2013 – May 2014

EDUCATION

Ohio University – Athens, OH

May 2014

Bachelor's of Science

Major: Computer Science

HOBBIES

Mountain Biking, Skateboarding, Guitar, Art
